WINTER X GAMES CHAMPION LOOKS TO CONTINUE WIN STREAK IN NEW YORK

Feb. 2, 2011 - Monster Energy/Arctic Cat's Tucker Hibbert is riding on top of the world after winning his fifth-consecutive gold and tenth overall medal at ESPN Winter X Games Sunday afternoon. After showing the world on live television he's the most dominant rider in the sport, Hibbert now enters round four of the AMSOIL Championship Snocross Series (ACSS) in Farmington, New York focused on extending his points lead in both national pro classes.

This will mark Hibbert's second appearance at Finger Lakes Casino & Racetrack. Last year, he convincingly won both pro finals then left the ACSS Tour to focus on his other passion, motocross. For the first time since the 2002-2003 season, he's competing in the full snocross series determined to win the Pro Super Stock and Pro Open national points championships.

Pro racing action begins at the Vision KIA Eastern Nationals Friday evening with Pro Super Stock qualifying at 5 p.m. and opening ceremonies at 7 p.m. On Saturday, the doors open at 3 p.m. with Pro Open qualifying at 4 p.m. and opening ceremonies at 6 p.m. For a detailed schedule, visit www.isocracing.com.

Tucker Hibbert - #68 Monster Energy/Arctic Cat

"The energy in New York is always higher than any other stop on the tour. There is always a huge turnout of diehard snowmobile fans and I know a lot of them ride green. Taking the five-peat at Winter X was unbelievable. It's an awesome feeling to work so hard for something and have the results to back it up. I feel like it was a turning point for my season. My starts have really improved and my sled set up continues to get better each race. I can't say enough good things about my Monster Energy/Arctic Cat and the crew working on it.

I'm focused on carrying my winning momentum from Winter X to New York and hope every fan in the northeast is at the race this weekend to watch!"
